# INDEX TO VOLUME 43 — 1975

A

Aerial photographs, image reconstruction from optical separations of ..... 113

A mobile color television-microscopy console ..... 190

An experiment in fetal surgery ..... 24

An inventive method for the production of educational transparencies ..... 83

A quick and efficient way to handle negatives of fluorescein angiograms ..... 192

A rose by any other name ..... 147

A scientific paper, Oral presentation of ..... 74

A simple procedure for photomacrography of stained histological sections ..... 194

Association services ..... 15, 88, 92, 197

B

Biocommunications '76 ..... 143

Biophotography and the law ..... 78

Bunker, William E. ..... 103, 150

C

Canon FTbn camera ..... 42

Cinecamera stand for surgery ..... 110

Color television-microscopy console, A mobile ..... 190

Comparison of motion-picture and videotape production ..... 165

Contrast enhancement of electron micrographs, Simple and rapid access to ..... 22

Copying for journal reproduction, Custom line .103, 150

Copying, High contrast ..... 16

Custom line copying for journal reproduction ..103, 150

D

Delorey, Fred W. ..... 83

de Veer, William H. ..... 16

Dornette, William H. L. ..... 78

Downer, J. F. ..... 113

Dukoff, Sheldon ..... 192

E

Editor's choice ..... 24

Educational transparencies, An inventive method for the production of ..... 83

Electronic remote control system by Canon USA Inc. 39

Electron micrographs, simple and rapid access contrast enhancement of ..... 22

External eye, Photographing the ..... 70

F

Fetal surgery, An experiment in ..... 24

Films for medical research, education and health care168

Filters for monochrome photomicrography of Cryptococcus neoformans ..... 7

G

Gambill, Thomas G. ..... 22

Goro, Fritz ..... 24

Graver, Nicholas M. ..... 20, 95

Gronwall, R. R. ..... 190

Gushul, Evan T. ..... 157

H

Hartzer, James R. ..... 165

High-contrast copying ..... 16

Histological sections, A simple procedure for photomacrography of stained ..... 194

Honors program, The ..... 44, 49, 140, 196

I

Ilex radiograph copy stand ..... 41

Image reconstruction from optical separations of aerial photographs ..... 113

Image 75 — 45th Annual Meeting of the Biological Photographic Association ..... 4, 46, 90

Immunogram recording apparatus, Self-contained photographic (SPIRA) ..... 157

in black and white ..... 5, 47, 93, 145

Institute of Medical and Biological Illustration International Conference 1975 ..... 4, 46, 90

International Conference 1975, Institute of Medical and Biological Illustration ..... 4, 46, 90

International Science Film Association ..... 4

Irvine, Ronald F. ..... 74

J

Jackson, H. R. ..... 113

Journal Reproduction, Custom line copying for .... 150

K

Klosevych, Stanley . 5, 30, 47, 51, 93, 119, 145, 168, 187

L

Law, Biophotography and the ..... 78

Letter to the editor ..... 156

Line copying for Journal Reproduction, Custom Part II Procedures and Refinements ..... 150

Londe, Albert — Photographie Médicale ..... 95

M

Maehr, Carol B. ..... 23

McGavin, M. Donald ..... 7, 190

Medical and Biological Illustration ..... 29, 198

Microscopy and photomicrography — Part III ..... 30

Microscopy and photomicrography — Part IV ..... 51

Microscopy and photomicrography — Part V ..... 119

Microscopy and photomicrography — Conclusion .. 187

Monochrome photomicrography of Cryptococcus neoformans, Filters for ..... 7

Motion-picture and videotape production, Comparison of ..... 165

N

Negatives of fluorescein angiograms, A quick and efficient way to handle ..... 192

New Canon lenses ..... 41

New products ..... 39, 40, 41, 42

Niilo, Leo ..... 157

Nikon data superimposing device ..... 39

O

Oral presentation of a scientific paper ..... 74

Overbed table used for studio stand ..... 20

P

Photographic Immunogram recording apparatus, Self-contained (SPIRA) ..... 157

Photographie Médicale — Albert Londe ..... 95

Photographing the external eye ..... 70

Photomacrography of stained histological sections, A simple procedure for ..... 194

Phototypositor 3000 ..... 40

Pocket strobes for close-up work ..... 20

Probst, John P. III ..... 20

R

Remote control system by Canon, Electronic ..... 39

Reproduction, Custom line copying for Journal 103, 150

Robertson, Richard T. ..... 194

S

Scientific paper, Oral presentation of a ..... 74

Self-contained photographic immunogram recording apparatus (SPIRA) ..... 157

Sharp, W. R. ..... 113

Simple and rapid access contrast enhancement of electron micrographs ..... 22

Stained histological sections, A simple procedure for photomacrography of ..... 194

Stand, Cinecamera, for surgery ..... 110

Stenstrom, William J. ..... 70

Studio stand, Overbed table used for ..... 20

Super-8 versus 16mm films for medical research, education and health care ..... 168

Surgical photography through sterile bags ..... 23

Sustaining members ..... 43, 50, 92, 144

T

The honors program ..... 44, 49, 140, 196

V

Videotape production, Comparison of motion-picture and ..... 165

W

Wallen, V. R. ..... 113

Williams, D. M. L. ..... 147
